- ii. Drugs Controller of India or a person authorized by him.
- iii. Director of Central Drugs Laboratory.

The President and the Vice-president of PCI are elected by the Members of Council from

attend the meetings. A casual vacancy in the PCI shall be filled by fresh nomination or election, and the person so nominated or elected shall hold the office only for the remaining term.

The council shall appoint (1) A Registrar, who shall act as its Secretary and, if necessary, its Treasurer, as well; and (2) Other Officers and Servants carrying out its statutory functions. The executive committee of the PCI consists of the President (Chairman of the Committee) and the Vice-president and five other members elected by the Central Council from amongst its members.

STATE PHARMACY COUNCIL

State Pharmacy Council and Joint State Pharmacy Council are also constituted by State Governments. Two or more states may also agree that the State Council of one state shall serve the needs of the other participating States. Two or more States may also enter into agreement (inter-state agreement) for definite specified period, to form Joint State Council. Any pharmacist willing to practice in the state, has to get himself/herself registered in the State through the State Pharmacy Council and Joint State Pharmacy Council, as follows-

--	--

State Council	Joint Council
<ol style="list-style-type: none"> 1. Six Registered Pharmacists elected from amongst themselves. 2. One member elected from amongst themselves by the Members of the Medical Council of the State. 	<ol style="list-style-type: none"> 1. 3-5 Registered Pharmacists of each of participating State, elected from amongst themselves. However, if agreed, the number of members elected by each of the participating state may not be the same, but shall vary from 3-5. 2. One member elected by Medical Council of each State from amongst its members.
<p>Nominated Members</p> <ol style="list-style-type: none"> 1. Five members, of whom at least three shall possess a degree or diploma in Pharmacy or Pharmaceutical Chemistry, or be Registered Pharmacists, nominated by the State Government. 	<ol style="list-style-type: none"> 1. 2-4 members nominated by each participating State of whom more than half shall possess a degree or diploma in Pharmacy or Pharmaceutical Chemistry, or be Registered
